The goal for the weekly offertory is set by the parish finance committee and approved by the parish council. St. Anne is totally dependent on the generosity of its parishioners for support. Your weekly contributions are important. Also remember, use of your envelopes makes it possible for us to more accurately prepare your annual financial statements.

A Reminder to all our parents here at St. Anne's:

There is an importance in continuity in the lives of your children, what they see and what they do. Our faith, our love for God and His love for us do not lessen with the Summer holidays, yes, school and Sunday School or Religious Ed. might have ended for the school year. What will you as adults be teaching your sons and daughters regarding your own commitment to God, your faith and your commitment to this parish. Please carefully consider the lessons they and you are learning, as well as the lessons that your children will unlearn this summer? When traveling try Masstimes.com (all throughout the country, times of Masses and addresses of Catholic Churches).

God the Father, the Son and the Holy Spirit don't take vacations from us...what will our response be to them this summer?

Fr. Joe

Summer Expenses Actually Increase?

Please remember that even though so many of you will be away during the summer, that our operating cost in the parish increases rather than decreases due to the high cost of utilities. The buildings, be they full or partially full still must be cooled, the grass and plants and grass watered and cared for, our treasured old church requires much maintenance (most of which is done during the "downtime" of the summer. Please plan ahead and budget for the upkeep and maintenance of your parish church if while you're away doing the summer.

This is our chance to dedicate a **few** hours to them. Carpool leaves from St. Anne at 8:00 AM. Otherwise, meet at the Carmelite Monastery at 9:00 AM. Contact: Brian Casteel 912-312-3462

To our graduating seniors

both in college and from our high schools, please know that you, your future and well beings are in our prayers and that of the parish. We wish you well and acknowledge that watching you grow up and remembering that whatever part that any of us or the parish had in forming you to become who you are was an honor and a privilege. Selfishly we admit that we will miss you as so many of you will be moving away, or going off to college, however we wish you the very best, because you are our future and our hope. May the good Lord bless all our graduating seniors!

Catholic Stewardship

“As each one has received a gift, use it to serve one another as good stewards of God’s varied grace.” (Peter 4:10)

The word “stewardship” refers to the Catholic approach to the gifts that God has bestowed upon us. Stewardship is living out a commitment to be Christ-centered rather than self-centered. Profound gratitude, justice and love become the fundamental motives for giving back to God. Everything that God has given to us is intended to serve the divine plan. Therefore, our life is to be lived in gratitude toward God. In a variety of ways, we are as disciples of the Lord Jesus Christ, when we share out time, talent and treasure to build up the Church and make our world a better place. God’s generosity will never be outdone by our own.

What Is An “Active Parishioner Status?”

Active parishioners rightfully look to their parish for any number of services. Among these are:

- Certification as godparents/sponsors for Baptism and Confirmation
- Active parishioner tuition rates in Catholic Schools
- Use of the facilities for liturgical services such as Baptisms, Weddings and Funerals.
- Enrolling children in the Religious Education Programs and Sacramental programs for First Reconciliation, First Eucharist and Confirmation.

These rights and services within the Church bring with them certain obligations, as in any form of community. The criteria for determining active parishioner status includes:

- Be a registered member of the parish for a least three months.
- Attend Mass at St. Anne on a regular basis.
- Support the parish through the giving of your time, talent and treasure.

Receiving regular mailings from the Parish (newsletters, envelopes) means that you are registered in the parish. If you are not registered, please call the office or go to the parish website: www.stannerh.org.

Did you know you can recycle here at St. Anne?

Recycling for aluminum cans only is available here at St. Anne’s you can drop your aluminum cans off at the green recycling bin located on the exit road next directly across from the playground (behind Holy Family Hall). Not only will you be lessening the amount of cans in local landfills, but you will also help the parish (proceeds will go directly to the Building Fund for our much needed church).

Please deposit only aluminum products!

In the event of a death or an illness in our parish family:

Please contact the office, Fr. Joe in the event of a death or a serious illness or hospitalization. Sadly it has happened this past very that friends of friends were intending to call the office for you and either **never did, or conveyed incorrect information**. Please help me and the staff here at St. Anne’s to respond better to your needs and those of your families.

Fr. Joe
